Limited Review Report

To

The Board of Directors
Punjab & Sind Bank
New Delhi

1. We have reviewed the accompanying statements of unaudited financial results (the statements) of Punjab & Sind Bank (the "Bank") for the Quarter & Nine month ended December 31, 2020. The disclosures relating to "Pillar 3 under Basel III Capital Regulation", "Leverage Ratio" and "Liquidity Coverage Ratio", as have been disclosed on Bank's website and in respect of which a link has been provided in the aforesaid Statements have not been reviewed by us. These Financial statements are the responsibility of the Bank's Management and have been approved by the Board of Directors in their meeting held on February 06, 2021. Our responsibility is to issue a report on these interim financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditors of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the accompanying statement of unaudited financial results is free of material misstatement. A review of interim financial results consists principally of applying analytical procedures to financial data and making enquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing Standards, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
3. The financial results incorporate the relevant returns of 20 branches and Treasury Division reviewed by us, 383 branches reviewed by concurrent auditors and un-reviewed returns of 1126 branches. These review reports cover 77.85% of the advances portfolio of the bank excluding the advances of asset recovery branches and outstanding food credit of the bank and 88.50% of Gross NPA as on 31st December 2020. Apart from these review reports and certificates, in the conduct of our review, we have also relied upon various information and returns received from the un-reviewed branches/other offices of the Bank.
4. Based on our review conducted as above, subject to the limitation in scope as mentioned in Para 3 above and read with the Notes to unaudited financial results, nothing has come to our attention that causes us to believe that the accompanying statements of unaudited interim financial results together with notes thereon, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

5. We draw attention to the following notes –

- a) Note No. 17 to the Statement, which describes the uncertainties due to outbreak of COVID-19 pandemic and the management's evaluation of its impact on the business operations of the Bank. The extent to which the COVID-19 Pandemic will continue to impact the Bank's results will depend on future developments, which are highly uncertain.
- b) Note no. 19 to the statement, which describes the interim order by Hon'ble Supreme Court of India directing that the accounts which were not declared as NPA till 31.08.2020 shall not be declared as NPA till further orders. Pursuant to the said order the bank has not classified any domestic account as NPA, which was not declared as NPA till 31.08.2020.

Our conclusion is not modified in respect of these matters.
