

Where service is a way of life

Too Good to Be True? Beware of Investment Scams!!!

INVESTMENT FRAUDS SCAM

CYBER JAAGROOKTA DIWAS 05-02-2025

High-return and guaranteed investment promises are often scams
Watch out for these **Red Flags !!!**

Unrealistic & Guaranteed High Returns

Promises of unusually High profits and guaranteed returns is a major warning sign

High Pressure Sales Tactics

Scammer puts pressure to invest immediately

Unsolicited Offers

Receiving offers on SMS/Emails for which you have not opted for

No Proper Registration

Company or platform offering investment is not registered with regulatory bodies

How To Stay Safe ?

Verify Information

Don't rely solely on information provided by the seller

Consult a Financial Advisor

Seek advice from a qualified and trusted financial advisor before making any investment decisions

Check Regulatory Registrations

Verify the company offering the investment is registered with the regulatory authorities

Research Thoroughly

Before investing, research the company, its history, its leadership, and the investment plan itself
